## TRANS. NOTES

Thanks for reading this chapter!!

Alsoooo T/N\*\* I'm translating the ————— or kk's into  
lo's just as a quick fyi since it's used p frequently.

As of right now, my scheduling is still kind of erratic but  
I'm going to try to set it up so it's around 1-2 chapters per  
week (but more than one chapter is going to be really  
random and depend) and I'll be posting them on either  
Mondays or Tuesdays ^)

Thank you again to sunbaejin for helping me with translating  
and wakuseisenpai for helping me with clearing!

CLACK

Everyone  
is already  
doing that.

Is that  
dirt?

Ah, I've  
got to write a  
report for my  
replacement  
class.

\*M\* Membership Training, some kind of meeting or orientation for students from the same organization.

You know  
Dochoku, the  
Panda guy?

I think  
Murasaki is going  
to like that.

That guy,  
that guy  
he can't  
possibly...

Don't be  
seriously  
crazy?

It hasn't  
been raining since  
her last breakup  
but she's already  
targeting a  
first year.

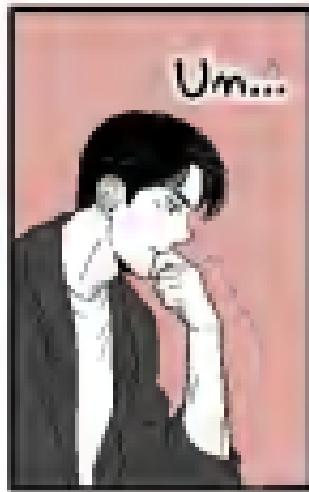

Yeah,  
she's not  
being wrong  
with it.

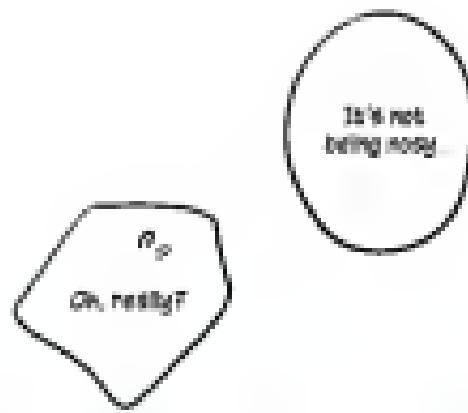

Just let him be.  
Nothing will  
come out of  
it anyway.

Right.  
I think you're  
the statement  
one here. You  
know that,  
right.

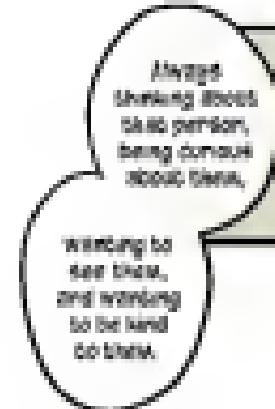

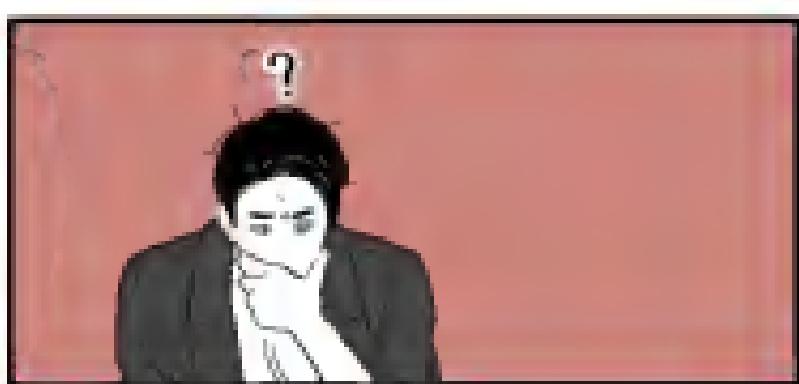

MAN

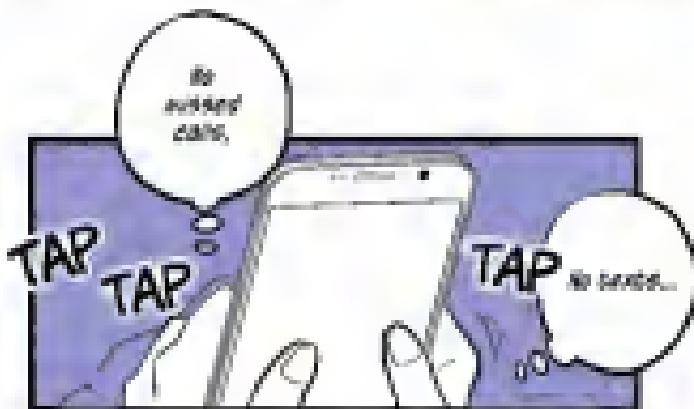

WHAT IS HE SAYING OUT OF NOWHERE?

—HUH?

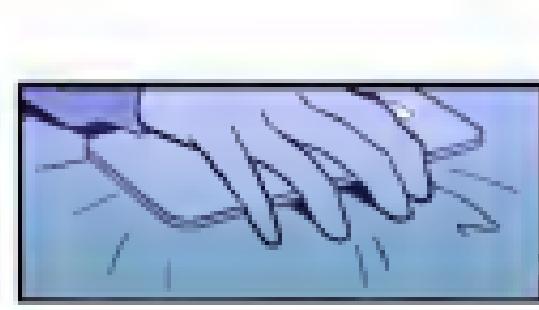

BECAUSE IT'S BEEN WHILE  
SINCE I'VE HAD FREE TIME.  
I WANTED TO SLEEP EARLY...

BUT I CAN'T SLEEP.

IT WOULD'VE BEEN BETTER IF I  
WENT OUT WITH PEOPLE AND HAD FUN INSTEAD.

SHOULD I JOIN A CLASS?

IT'S SPRING NOW,  
AND I'M ALREADY 20.

THIS IS SUPPOSED  
TO BE A TIME WHERE EVERYDAY  
IS HAPPY AND EXCITING.

BUT WHY DO I  
FEEL EMPTY?

ROLL

This is the guy that would be staring for more than 10 minutes to pick something from the menu.

It's taking up more time than choosing a hamburger does!

Annoyed

Again, from the things that I can't give, I've done everything for him!

Ro!!

Jeongmin hyung

\* This sentence refers to when two people are dating, but are officially together yet. From the English word "flirt".

looks like we'll have to...

UPLOAD!

I took this photo with my friends after a lecture (lol)

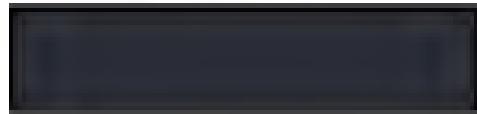

That day, the weather was really nice

Look at the sunlight- it's spring
